

Pathway 2 – Qualitative questions

Project Objectives and Outcomes

1. Which of the Taith Pathway 2 themes will the project align with? (Multiple choice)

2. How will the project address an issue or sector priority within the theme(s) identified above and how will it add value to your organisations and the sector(s)? (2500 characters)

What is the issue/priority and why is it important? What impact will the project have and how specifically will the project and its output make a difference?

3. Please describe your planned project output (2500 characters)

How you will ensure it is tangible, well-constructed, measurable and of value to other organisations and/or the sector(s) more widely?

4. How and why you have chosen the partners – international and Welsh (where applicable) (2500 characters)

What will each partner bring to the project? How will responsibility be shared?

5. How will you manage the project? (2500 characters)

How will your organisation/consortium manage the different aspects and phases of the project from planning and preparation to management of operational delivery, communication and cooperation with partners, financial management and compliance, risk management, monitoring, record keeping and reporting. What staff resources are/will be in place to do this?

6. How will you ensure that the project is inclusive and accessible? (2500 characters)

How will the project support the learning/engagement/participation of people with disabilities, additional learning needs, those from disadvantaged backgrounds, and those from other underrepresented groups? How will you ensure the project output and dissemination activities are inclusive and accessible and enable organisations and individuals from diverse backgrounds and experiences to benefit?

7. How will you monitor and evaluate the project? (2500 characters)

How will you monitor the project tasks undertaken? How will you gather feedback from participants? How will you assess the quality of the project output? How will you evaluate the impact and benefits of the project?

Project Activities

1. Mobilities

- Please detail what mobilities you are planning and how these will contribute to the project and the creation of the project output. If you are not planning any physical mobilities please explain why not, and how you will develop an effective international partnership through other means. (2500 characters)

- How will you select participants for mobility activities? *(2500 characters)*
- If you are planning learner mobilities:
 - Please explain your safeguarding procedures and how you will ensure the safeguarding/duty of care of participants. *(2500 characters)*
 - How will you ensure that participants with disabilities, additional learning needs, those from disadvantaged backgrounds, and those from other underrepresented groups are fully supported to participate? *(2500 characters)*

2. Project management and implementation

- Please detail what activities you will undertake and how these will contribute to the project, and the creation of the project output. *(2500 characters)*
- Please provide a cost breakdown and clear justification for funding requested in this category. *(2500 characters)*

3. Staff costs

- Please provide a clear explanation, cost breakdown and justification for funding requested in this category. *(2500 characters)*

4. Dissemination costs

- Please detail what dissemination activities you are planning, and their relevance to the project, to the intended audience and to the sector more widely. *(2500 characters)*
- Please provide a cost breakdown and clear justification of the funding requested in this category. *(2500 characters)*

5. Translation costs

- Please provide a clear explanation, cost breakdown and justification for funding requested in this category. *(2500 characters)*
